

Evaggelia Fappa

Email: e.fappa@go.uop.gr

Dietitian - Nutritionist, PhD

Evaggelia Fappa obtained a bachelor's degree in Dietetics and Nutrition, in 2004 and a master's degree in Nutrition (Direction: Clinical Nutrition) in 2006 from the Department of Nutrition and Dietetics, of the Harokopio University of Athens, Greece. Thereafter, she continued her studies under a scholarship from the States Scholarship Foundation and she obtained a PhD on the study of factors affecting dietary adherence of patients with chronic diseases. Since then, she has worked as a researcher and/ or scientific associate in 10 research studies, while she has, also, been teaching, in higher education departments related to dietetics, nutrition and/ or food. She has co-authored published work in peer-reviewed international journals and has participated as an invited speaker in several national and international congresses. For the last 2 years, she is a visiting lecturer in the Department of Nutrition and Dietetics, of the University of Peloponnese and she is the pathway leader of the department of BSc (Hons) Dietetics, offered by Mitropolitiko College, located in Athens, Greece, in collaboration with the Queen Margaret University, located in UK, while continuing her research on dietary adherence through dietary counseling methods aiming at the improvement of the dietary behavior.

Research interests:

improvement of dietary behavior, factors affecting adherence to dietary guidelines, theoretical frameworks, methods, and techniques of dietary counseling.
